

Boston Kerypa

See you in worship.

every one of them. He refreshes the earth every year.
 Our God is abundant and loving. He encourages us to roll through the seasons and enjoy to consider helping.
 Vacation Bible school helps us to reach out to the community and refresh everyone. You might want this summer and fall. I look forward to being refreshed myself and all of Zion being refreshed.
 Everything seems to be off to a great start this year and I look forward to the fruitfulness of creation in every season. And we know that next year there will be four seasons once again.
 Each year we can open up the house and clean it out. Each year we can go out and enjoy God's. Each year we can plant new things; I don't plant much anymore but I hope the farmers are. move smoothly from year to year.
 mark days and years. He made this world subject to time so that we can keep track of things and God intentionally made the world so that the seasons would change. He made it so we could kicked in. It's a great time of year. It's a time when many things start.
 up. The birds are flitting about trying to find stuff for their nests. And of course, my allergies have I think the new year should start this time of year. The death of winter is past, and everything is beginning to grow again. The grass in my yard is green and the flowers in my gardens are coming why they decided on the 1st of January? It doesn't make any sense to me.
 Have you ever wondered who decided when the new year started? Have you ever wondered
Genesis 1:14-15 - And God said, "Let there be lights in the expanse of the heavens to separate the day from the night. And let them be for signs and for seasons, and for days and years, [15] and let them be lights in the expanse of the heavens to give light upon the earth." And it was so.

SUNDAY MORNING BIBLE STUDY

There are plenty of misconceptions about Christianity today. From false rumors to biblical teachings that are heavily distorted from their subject matter, there's no lack of myths to find. Do you know how to respond to them? More importantly, do you know the truth backed up by God's Word and teachings? Class follows worship at about 9:30a.m it will end on May 10th.

LWML continues to sew the pillowcase dresses and could use pieces of fabric that are a minimum of 13" square...21" is ideal. We use this to make bias tape for the dresses. Thank you for your donations!

You are invited to your birthday party, and your brothers and

sisters in Christ's, on **Sunday, May 31st**. We are all God's creation so we will celebrate everyone together following our regular church service.
